Roberts	James	Cuddy Ser Tkt:475026	Jan 1854	Snidley?	Brooks
A cuddy ser is a cuddy servant, like a steward, who worked in officer or passenger areas attending to food service and personal assistance—in the more refined area of the ship. “Waits at dinner, does galley work, washes dishes, mops floors, sets tables, cleans leftovers, may help cook.” from an 1850 passenger list of the barque <i>Cressy</i>, which sailed from England. (from Chat GPT)

An * indicates that I have found the ship or captain in shipping records on TROVE and slightly changed the entry which appears in the NAA Archives. I only checked names which seemed doubtful or unlikely.
